

	May 12th	
	Session/Panel	Topic
8:30 to 8:45	Welcome	<b>Presenters: Planning Committee</b>
8:45 to 9:30	Session 1	<b>Breeding for the Future: The Vision Ahead</b> An overview of global trends in canine breeding, technology, and long-term sustainability <b>Presenter:</b> TBD
9:30 to 10:15	Session 2	<b>Colony Management for Efficiency and Welfare:</b> Best practices for maintaining productive breeding colony meetings the need of the organization while considering breeder's welfare <b>Presenter:</b> TBD
10:15 to 10:30	BREAK	highlight vendor tables
10:30 to 11:15	Session 3	<b>Production Planning in Modern Breeding Programs:</b> How to align breeding goals with program needs, resources, and future demand. <b>Presenter:</b> Rachel Goldammer, IWDR
11:15 to 12:00	Panel 1	<b>From Planning to Practice:</b> Experts from different sized organizations discuss real-world applications of colony management and production planning. <b>Panelist:</b> Rachel Goldammer, TBD, TBD
12:00 to 13:00	Lunch	
13:00 to 13:45	Session 4	<b>Data Capture – The Foundation of Progress:</b> Collecting accurate, reliable data on breeding, health, and behavior <b>Presenter:</b> Dani Prebensen, IWDR

<b>13:45 to 14:30</b>	<b>Session 5</b>	<b>Test Matings</b> – Tools and strategies for breeding decisions <b>Presenter:</b> Madeline Zimmerman, IWDR
<b>14:30 to 15:15</b>	<b>Panel 2</b>	<b>The Reality of Creating Systems for Data Capture</b> <b>Panelists:</b> Madeline Zimmerman, IWDR, Dani Prebensen, IWDR, Dr. Beck Hunt, GuideDogs UK
<b>15:15 to 15:30</b>	<b>Break</b>	End of Workshop Session at 15:30 (see below)
<b>15:30 to 16:15</b>	<b>Session 6</b>	<b>Where Does Behavior Fit?</b> –Turning Behavioral Data into Breeding Decisions <b>Presenter:</b> Rachel Goldammer, IWDR
<b>16:15 to 17:00</b>	<b>Session 7</b>	<b>Using Technology to Assist with Behavior Screening--</b> Use of AI, smart harness, smart collars <b>Presenter:</b> Dr. Dave Roberts, NCSU
<b>17:00 to 17:45</b>	<b>Panel 3</b>	<b>The Reality of Capturing and Incorporating Behavioral Data</b>  <b>Panelists:</b> Zuhey Medina Gonzalez, Dogs Inc, Dr. Coraline Moeser, Guide Dogs NSW, Rachel Goldammer, IWDR
	<b>May 13th</b>	
	<b>Track 1</b>	Topic
<b>8:30 to 8:45</b>	<b>Welcome</b>	Housekeeping, Introducing Speaker
<b>8:45 to 9:30</b>	<b>Session 8</b>	<b>Canine Health – Safeguarding the Future:</b> Updates on health screening, and preventative strategies all things general canine health <b>Presenter:</b> Katy Evans, The Seeing Eye

<b>9:30 to 10:15</b>	<b>Session 9</b>	<b>Canine Genetics</b> – Genomic tools, how to use the information gathered, the future <b>Presenter:</b> Frances Chen, Darwin's Ark
<b>10:15 to 10:30</b>	<b>BREAK</b>	highlight vendor tables
<b>10:30 to 11:15</b>	<b>Session 10</b>	<b>Next Generation – Identifying the Best Candidates</b> Balancing phenotype, performance, generational intervals, genetic potential and production. <b>Presenter:</b> Zuhey Medina Gonzalez, Dogs Inc
<b>11:15 to 12:00</b>	<b>Panel 4</b>	<b>Outside the Box Breeding Strategies:</b> Experts weigh in about short-term breeders, dual careers, and shortened generational intervals in practice <b>Panelist:</b> Katy Evans, TBD, Julijana György Matesic
<b>12:00 to 13:00</b>	<b>Lunch</b>	
<b>13:00 to 13:45</b>	<b>Session 11</b>	<b>Advance Topic: Cardiology</b> <b>Presenter:</b> Dr Yoko Fujii
<b>13:45 to 14:30</b>	<b>Session 12</b>	<b>Advance Topic: Orthopedics</b> <b>Presenter:</b> TBD
<b>14:30 to 15:15</b>	<b>Panel 5</b>	<b>Balancing Performance, Health, and Genetics:</b> Experts weigh in on the trade-offs and synergies in breeder decision-making. <b>Panelists:</b> Dr. Yoshinori Suwa, Julijana György Matesic, Madeline Zimmermann

<b>15:15 to 15:45</b>	<b>Break</b>	
	<b>Track 2</b>	
<b>8:30 to 8:45</b>	<b>Welcome</b>	Housekeeping Introducing Speaker
<b>8:45 to 9:30</b>	<b>Session 13</b>	<b>Got Milk?</b> How to manage mum's lactation needs <b>Presenter:</b> Dr. Caroline Moeser, GuideDogs NSW
<b>9:30 to 10:15</b>	<b>Session 14</b>	<b>Review of the latest RECOVER guidelines for Newborn Resuscitation.</b> <b>Presenter:</b> Dr. Natalie Maticka, GuideDogs Brisbane
<b>10:15 to 10:30</b>	<b>BREAK</b>	highlight vendor tables
<b>10:30 to 11:15</b>	<b>Session 15</b>	<b>Uterine Interia</b> <b>Presenter:</b> Dr. Gail McRae, Leader Dogs for the Blind
<b>11:15 to 12:00</b>	<b>Panel 6</b>	<b>Decision Making During Whelps</b> —Timings, Interventions, seeking vet input <b>Panelists:</b> Dr. Gail McRae, Dr. Natalie Maticka, Dr. Caroline Moeser, JGDA Whelping Team
<b>12:00 to 13:00</b>	<b>Lunch</b>	
<b>13:00 to 13:45</b>	<b>Session 16</b>	<b>Cleft Palate Research</b> <b>Presenter:</b> Rachel Moxon, GuideDogs UK

<b>13:45 to 14:30</b>	<b>Panel 7</b>	<b>Puppy Socialization Panel</b>  <b>Panelists:</b> Caroline Moeser, Jane Bradlye, JGDA neonatal care team
<b>14:30 to 15:15</b>	<b>Panel 8</b>	<b>Public Opinion:</b> Addressing public concerns, government regulations and volunteer issues <b>Panelists:</b> Nicola Cotton, TBD, Benjamin Borg, TBD
<b>15:15 to 15:45</b>	<b>BREAK</b>	
		<b>END OF WORKSHOP SESSION</b>
<b>15:45 to 16:15</b>	<b>Session 17</b>	<b>Canine Breeding – Innovation &amp; Responsibility:</b> A look forward at emerging science, technology, and ethical responsibility. How to set up breeding colony/departments up for future success <b>Presenter:</b> TBD
<b>16:15 to 16:30</b>	<b>Wrap Up</b>	Planning Committee
